

Seminars

These one hour (1hr) free seminars provide information on how MarketNAV and CashflowNAV work. At the end of the session you will have an understanding of the framework used. It is a system that is so powerful that you will wish you had heard about it sooner.

Seminar Outcomes

- Know if you are cash flow positive (you may not be even if you are making a profit)
- Know if your marketing activities are effective
- Know how to plan to address these

Who should attend?

- You are in a growth stage of business
- You have one or more service outlets
- You have a turnover greater than \$100,000 at each outlet
- You want to increase turnover or increase marketing ROI
- You are an advisor to any or all of the above
